York Region Athletic Association

November 16, 2020

Tom Mrakas
Mayor of Aurora
Town of Aurora, Ontario

Dear Mayor Mrakas,

On behalf of the York Region Athletic Association, we are in absolute support of the proposed 50M Aquatic Centre to be built in the Town of Aurora.

The YRAA would benefit greatly by having this facility available to our student athletes. Currently there are over 30 schools in our association that support a high school swim team. With 10 of those schools considered in the north of our region. Last season there was over 1000 student athletes involved in various competitions.

The facility would allow us further expansion of the sport in the following ways:

- Regular use of the 50M pool as a practice facility of all 10 of the nearby high schools.
- Facility rental capabilities to host swim meets
- Facility rental capabilities to host York Region Championships
- Possible host site of the Ontario (OFSAA) Championships

Thank you for your continued support of York Region Athletics. Please do not hesitate to contact us for any further information you may require.

Best Regards,

Jeff Masterson
YRAA President
